The Parts Manual has exploded views of every assembly on the Tractor Loader Backhoe, with corresponding descriptions and OEM part numbers, which can be critical when

ordering parts. Imagine your PTO in a parts washer with no view of how the pieces should fit together, or with no list detailing if you have all the parts. You may already have the service manual to give you instructions on disassembly and reassembly. This manual, specific to the Case model 580L, will be the perfect visual companion to the written instructions in the service manual. The Parts Manual for your Case will help you work smarter and faster. Get the right parts the first time. Caution Please pay close attention to the title of the manual and the title printed on the cover of the Manual in all cases. If the description says Chassis Only, then the engine is not included. If the description says, Loader Only, Injection Pump Only, or any other component, then there are no other items besides what is listed included in the manual. Please call or chat if you have questions or need assistance. Also fits models Case 570LXT. This professionally reproduced service manual contains technical information for the Case 580L, 580SL and 590SL backhoe. Includes foldout schematics.
